

# Prototypical Consisting:

We've compiled some prototypical consists for specific time periods... pick your period, then string the consist together. Consists are listed first-to-last. We recommend printing this document for your reference, then ordering based on this list.

Trains ran with cars of mixed ownership. Cars cycled in and out of the consists for service, repairs, and varying the seasons. "Foreign" Sleepers were consisted at the rear of the train ahead of the Dome Observation Car.
